Dear Sir:

In response to the Office action mailed on July 18, 2002 please amend the above-identified application as follows. Please note that the Name of the Applicant indicated above is consistent with the Application Data Sheet ("ADS") filed with the application on October 30, 2001. The cover sheet attached to the Office action names Edmund L. Wolak as the First Named Inventor. Similarly, the Filing Receipt mailed 03/19/2002 names Edmund L. Wolak, Tae J. Kim, and Robert Lang as Applicants. The ADS names Tae J. Kim, Harrison L. Ransom, and Edmund L. Wolak as inventors. Thus, Robert Lang should not be named as an inventor for this application, and Harrison L. Ransom should be named. The undersigned sent a request on September 6, 2002 to Customer Service of TC 2800 via facsimile transmission to correct the inventorship so that it is consistent with the ADS, but has not yet been informed if the correction has been entered, or whether further action is required.

The undersigned believes that no fee is required with this amendment; however, if a fee is required the Commissioner is hereby authorized to charge the necessary fee to USPTO Deposit Account No. 50-0891.
